

IDENTITY THEFT

Peter was alarmed when he saw his credit report. Someone had Peter's social security number and was using it to fraudulently open credit cards in his name. Peter's identity was stolen, damaging his credit score, finances, and well-being.

Did someone steal Peter's mail? Rummage through his trash? Did he unknowingly respond to an e-mail scam?

Identity theft occurs in many different forms and is one of the fastest growing crimes in the nation. Protect your personal information and learn how to prevent and resolve identity theft issues.
